

# CONTOUR Penguin

## Above ground, bath replacement cut to length or width, just 40mm high

The only bath replacement tray that can be reduced in length and width to fit exactly into the area once occupied by a bath. At only **40mm** high the Penguin can be installed above ground for low entry or recessed into the floor to create level access. Optional ramps available to assist wheelchair access.

## Benefits

With the added ability of being cut to width and length, this tray can fit perfectly between three walls. Includes an adequate drying area, and an end panel to conceal the cut end of the shower tray.

- Low entry tray only **40mm** high for easy access
- Cut to length by 500mm down to 1300mm
- Cut to width by 90mm down to 710mm
- Suitable for wooden or solid floor situations, can be recessed into the floor by 40mm for level access
- Including end panel to conceal cut end of the tray
- Drying area
- Ramp R01, 800mm, or ramp R02, 1850mm available as an optional accessory on request, assists wheelchair access, see page 115
- Lifetime guarantee
- Reinforced GRP construction
- Anti-slip surface for an assured underfoot grip
- Facility for top suction waste
- Manufactured in the UK
- Exclusively incorporates Microban® antibacterial protection
- Left or right hand available
