Advance ATL Flex Extra

mira

Mira Advance ATL Flex Extra 9.0kW

In addition to all features of the Advance Flex version, the Mira Advance ATL Flex Extra has a dedicated connection for Primo Xtra or Whale Instant Match™ shower waste pumps (supplied separately).

Approved by BEAB to meet new standards of safety for electrical goods for use by the elderly, young or infirm.

- Link directly with a Primo Xtra shower waste pump or Whale Instant Match™, eliminating the need for a flowswitch
- Ideal for level access installations
- Adjustable Temperature Control (ATL), 8 different maximum temperature settings
- Inclusive design
- New fittings - Smooth slide bar with easy glide operation, close to wall fitting, wall or corner mounting options, chrome effect finish, friction clamp bracket means easy one handed operation, easily height adjustable
- Qualifies for BEAB Care Mark and RNIB endorsement
- Colour contrasting panel to aid navigation
- LED backlit flow and on/off buttons

REF: 06ES03
