

An optional roof helps to retain steam. Also provides a fixing point for a light or fan.

WC cubicles use a wall hung pan which allows cleaning underneath & around the WC.

# CUBICLES

Self contained, temporary shower areas, easily installed into almost any room.

- Easy to install & remove without the need for expensive property alterations.
- Installation possible within 2 hours where water, waste & power are provided.
- Can be easily refurbished & re-used time & again to provide a cost effective, short term or semi permanent alternative to a traditional adaptation.
- Create an ensuite facility practically anywhere in the home.
- No additional room tiling required.
- Unique modular system assists with cubicle assembly & helps to prevent the likelihood of leaks.
- 1850mm high (*tray height not included*).
- Half height doors aid assisted showering.
- Watertight 'click' hinge incorporated into the shower doors helps retain oversprayed water inside the cubicle.
- Glazed in durable, smooth Polypropylene & PET which are safe & easy to clean.
- Use with **level access, 30mm** high or up to **110mm** high shower trays.
- Shower trays incorporate an anti-slip surface for an assured underfoot grip.
- Optional ramps or step makes access even easier for wheelchair or ambulant users.
- Roof available, to which an optional light & extractor fan can be installed.
- The addition of grabrails, shower seat, WC or a wash hand basin will provide a functional solution for individual requirements.

## WC CUBICLE DETAILS

Adjustable low WC frame allows the WC pan to be hung at a specific height.

- Can be hung from 350mm to 510mm.
- Robust, takes 400kg.
- Cistern has chrome dual flush button.
- WC Cupboard width: 350mm.
- Adjustable low WC frame: 450H x 345W x 160D-325D.
- WC cubicle supplied with a toilet seat.

Optional macerator can be supplied which allows you to fit a WC almost anywhere.

- Horizontal discharge: 100m.
- Vertical discharge: 4m.
- Dimensions: 413H x 180D x 263H.

**NEW** Falcon 40 1400x900mm low level shower tray providing a generous size shower area for wider shower cubicles.
