

Opulence GLASS SCREENS

Open up the shower space.

Shower screens, sizes 700 - 1200mm wide

- Opulence shower screens create a modern walk-in shower experience.
- 8mm clear toughened safety glass, EN 14428 tested, 1900mm high.
- Unique telescopic, wall fixed tie bar can be adjusted between 700 - 1200mm.
- 45° wall stabiliser bar available instead of a tie bar or if you wish to add a return / end panel.
- Aluminium satin chrome compensator with 55mm adjustment for out of true walls.
- Easy clean glass helps keep the glass like new inbetween cleaning.
- Chrome plated, solid brass fittings.
- Use on any Contour shower trays, ShowerDec® wetroom floor formers, or any shower tray with a 40mm flat perimeter.
- Coved profile to accommodate vinyl flooring or square profile for tiled floors.
- *Please state when ordering.*
- Universal design for left or right hand installation.

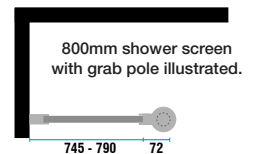

Floor to ceiling Grab Pole, 2.5m or 5.5m

FLOOR TO CEILING GRAB POLE

- UKCA & CE approved 32mm diameter, stainless steel, floor to ceiling grab pole connects to the glass screen to act as a grab rail.
- Solid brass, chrome plated lugs accept an 8mm shower screen.
- Can be retro-fitted to plain edged, 8mm thick shower screens.
- Internal floor fixing & external ceiling fixing with 80mm diameter shroud.
- Projection from edge of shower screen to outer edge of pole: 72mm. *see below.*
- Gap between grab pole & screen edge: 40mm.
- Can be cut to required height (cut from the top down).
- Available in 2.5 metre & 5.5 metre lengths.

Shower screen supplied separately.

300mm FLIPPER PANEL

- Designed to act as a deflector to minimise water spray outside the shower area.
- Toughened safety glass: 6mm.
- Flipper panel assembly overall width: 310mm wide.
- Overall assembly height: 1900mm (Glass height: 1875mm).
- Clear bottom protective seal.
- Finish: Satin chrome polished.
- Hinge fixing system & screen supplied pre-assembled for simple installation.
- Hinged profile pivots through 250°.
- Easy clean glass helps keep the glass like new inbetween cleaning.
- Universal design for left or right hand installation.

Shower screen supplied separately.

300mm wide Flipper Panel
