

Suits wooden floors

Suits screeded floors

Load capacity 270kg (1st store)

Gravity waste supplied

Pumped waste available

## SWIFT Barrier free, level access shower tray range using TRUESEAL2 floor edge profile.

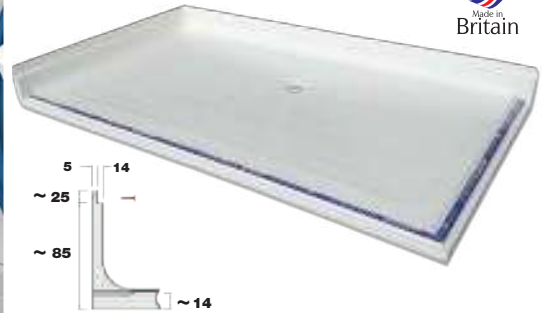

**NEW**

A Swift 795x795mm shower tray is ideal for small corner level access adaptations should you wish to retain the bath or for smaller bathrooms.

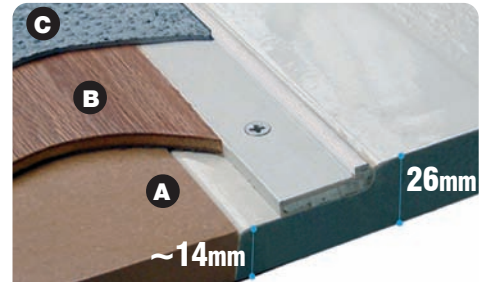

- Provides a practical, corner entry showering solution for users with mobility difficulties or requiring wheelchair access.
- Anti-slip surface for an assured underfoot grip.
- Installation friendly, no need for intricate corner seam welds.
- Hot seam weld the vinyl sheet flooring directly onto the tray's unique TRUESEAL2 floor edge profile, creating a perfect watertight join.
- Only requires the removal of ~14mm of flooring, the equivalent of a floorboard, (*apart from the trap area where additional space is required*).
- Locate in wooden or solid floor settings, minimal need for additional support under the tray required.
- Shower tray, enclosure & ancillary equipment can be installed during one site visit, leaving the flooring to be fitted afterwards.
- **14mm** tiling lip is watertight & will accommodate wallboards or wall tiles.
- Can be used with floor tiles by omitting TRUESEAL2, *please state when ordering*.
- Exclusively incorporates **Biomaster** antimicrobial product protection.
- Swift Island shower tray, open on three sides for greater access, *see right*.
- Lifetime guarantee.
- Handed & non-handed tray options available.

**TILING THE FLOOR?**
