

CLOSMAT PALMA VITA

- Unique 'hands free' system operates the Palma Vita's flushing, warm water washing & warm air drying functions by just pressing & releasing the elbow pad.
- Simultaneous flushing & washing feature improves personal hygiene as it cleans with water not paper.
- Improved personal hygiene, cleaning with water.
- Can be used at all times as a conventional WC.
- Combines a WC & bidet with the addition of drying air.
- Aesthetically pleasing design including telescopic skirt to cover plinth & a continuous bowl cover.
- User-friendly system guarantees the most hygienic toilet performance.
- UK made in a dedicated factory.
- Customised to suit individual needs.
- Installation & service support available.
- 1 year guarantee.

how it works

Flushing
Press either elbow pad when standing for conventional flush.

Washing
Press either elbow pad when seated & hold for approx 10-15 seconds, flushing & warm water will start.

Drying
Warm air drying automatically follows when elbow pad is released.
