

## WHALE WASTE PUMPS

### STANDARD FLOW CONNECT KITS FOR SHOWER TRAY OR WETROOMS

- 6 pump speed settings designed to suit electric shower installations.
- Flexible installation options. Compact pump & transformer will fit into locations with limited space e.g. airing cupboard.
- The transformer includes patented **Active Link** diagnostics
- **AUTOMATIC WET FLOOR KIT:** Quiet Whale Whisper wet floor gully provided.

Mixer shower installations require an additional flowswitch: Part No: 05WP10-03.

### INSTANT MATCH®

- Wireless control, no physical link required between the Instant Match® & shower.
- Shower automatically turns off in the event of power failure to the pump.
- Compatible with: Mira Advance Flex Extra, see page 36.

Install with any electric shower using a Venturi Flow Sensor inline: Part No: 05WP10-53.

### INSTANT MATCH® PREMIUM

- Designed specifically to solve shower drainage problems in modern wetrooms, en-suite bathrooms or loft spaces.
- Quiet operation with built in anti-vibration mounts.
- Designed to work with any mixer shower.

### DRY-DECK 20 KIT

- Allows walk-in showers & wetrooms in locations where this previously would not have been possible.
- Dry-Deck 20 is designed to minimise gully suction noise by precisely matching the pump flow rate to the shower flow rate.
- Suitable for showers with a flow rate up to 20 ltr/min.
