

Luxe range Carerscreens will compliment any modern easy access bathroom.

Centralised handle position for easy manoeuvrability.

Rubber deflector helps retain water back inside the shower area.

Rubber strip helps protect the underside of each screen.

CARERSSCREENS®

Portable & convenient.

- A convenient option to a fixed shower enclosure.
- Easily portable, can be moved effortlessly from room to room.
- Assists in keeping the carer dry during showering & deflecting water back into the shower area.
- Low screen height of 750mm (29½”), which is a preferred height for carers. Other screen heights available on request.
- Can be used in conjunction with a shower tray or alternatively, a tiled or wet floor area.
- Fold flat for compact storage & portability.
- By removing the Carerscreen® when it is not in use, the shower area is then clear for other members of the household.
- Available in five standard sizes & can be made to measure.
- Lifetime guarantee.
- **NOW AVAILABLE** Luxe range Carerscreens are an alternative to the standard white range & will compliment any modern easy access bathroom.
- Not handed.

REF	Height	No. of Panels	Weight	Panel Width	
				A	B
CS1	750mm	2	7kg	650mm	-
CS2	900mm	2	9kg	750mm	-
CS3	750mm	2	9kg	1000mm	-
CS4	750mm	4	9kg	450mm	225mm
CS5	750mm	3	9kg	465mm	465mm

Ideal for rooms with restricted space. Not handed.

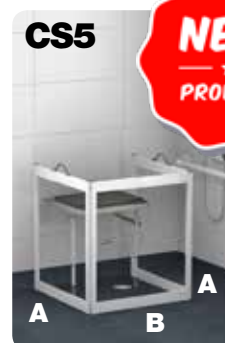

Taller screen height for modesty purposes & to keep the carer drier. Not handed.

Wider screens are ideal for use with a mobile shower chair. Not handed.

By incorporating more panels the screen can be closer to the user. Not handed.

Using three panels can provide access from three sides & can help to retain water in the shower area as well as keeping the carer dry. Not handed.
