

Straight fluted grabrails
300, 450 & 600mm

90° Angled
fluted grabrail

135° Angled
fluted grabrail

White or blue options, where stated, to assist the visually impaired & dementia sufferers.

FLUTED GRABRAILS

- Offers a reassuring grip in & around the shower area.
- 90° options combine the convenience of a horizontal and vertical grabrail.
- 135° grabrail allows people with a weaker grip to use their forearm for extra leverage.
- Made from strong 36mm diameter PVC tubing. Multiple concealed wall fixings, for secure installation.
